3RD QUARTER 2015

VOL 4 ISSUE 3

The third quarter of 2015 has been a busy one! Just as the industry continues to evolve, the dynamics within Structural Wood Systems will inevitably change as well. Below, we are taking time to highlight some of these recent changes within our Sales Team.

### Welcome to the SWS Family!

It is with great pleasure that Structural Wood Systems welcomes two new Sales Representatives.

We look forward to working with you!

#### R.M. RODGERS, INC.

Max Rodgers Jr. of RM Rodgers Inc. recently joined SWS as a Sales Representative with offices in Dallas and Houston. Teamed with MK Binkley, they offer a complete turnkey package.

#### CONSTRUCTION SALES CO., INC.

Arlis Palmer of Construction Sales Co., Inc. joined the SWS Sales team as a Sales Representative this quarter. His office is located in Magnolia, AR.

### CELEBRATING 38 YEARS OF SERVICE & EXCELLENCE!

Dave Marteney of Kansas Wholesale Lumber Corp. has been a Sales Representative for Structural Wood Systems since 1977. Throughout the years, his dedication and winning personality have helped bring many customers to SWS. One of his more unique projects, pictured below, was a canopy for the carousel at the Kansas City Zoo.

This year, 38 years after he began, Dave is retiring. While we are all sad to see him go, we wish him luck and hope he enjoys his retirement.

Pictured below is our office staff with a plaque, commemorating Dave Marteney and his years of invaluable service to not only this company, but the industry as a whole. We will miss you!
