## COMPANY SPOTLIGHT:

Structural Wood Systems hosted a mini sales meeting this quarter for some of our newer sales representatives. Chase Patterson, Peter Anchondo, and Austin Heminger toured the plant and spent a couple of days visiting our office. We are so excited for them to be part of the SWS team!

Chase has been working in the glulam industry for several years. He is an experienced estimator and now a Sales Representative through RM Rodgers in Texas.

Peter joined the SWS team this past year. While Peter is new to the glulam industry, we are excited to welcome him to the SWS family and hope to pull from his wealth of knowledge in sales and marketing. Peter works with Chase at RM Rodgers and covers Texas.

Austin grew up in the glulam industry, working with his family at Glue-Lam Erectors. He is familiar with the industry, and his experience in the field will be invaluable as he continues to move forward in sales. Glue-Lam Erectors covers Illinois, Indiana, Kentucky, and Southern Ohio.
