

COMPANY SPOTLIGHT: 2024 Sales Meeting

In April, SWS hosted our highly anticipated 2024 Sales Meeting, a fun gathering over three days that brought together our Sales Representatives and Special Guests from various states. If you haven't already, check out the captivating moments on our Facebook page!

Amidst the camaraderie and festivities, we took a moment to shine a spotlight on two remarkable individuals and one amazing team who exemplify excellence in our industry.

Firstly, we bid farewell to Mr. Lane Holland (pictured bottom right), who retired after an impressive 33-year tenure with SWS and a remarkable career spanning over 50 years in the industry. We extend our heartfelt gratitude for his unwavering dedication to advancing glulam and timber in the construction sector.

Next, we proudly honored Mr. Frank Sledge (pictured top right) for his outstanding 45-year journey with SWS. We celebrated the enduring partnership with the finest representative in Alabama.

Lastly, we were thrilled to bestow the Outstanding Sales Award to Glue-Lam Erectors, Inc. (pictured top left). Over the past 12 years, they have spearheaded the glulam market across Illinois, Indiana, Kentucky, and Ohio, achieving remarkable sales. Their unparalleled contribution rightfully earned them this prestigious accolade.
